

oxidation–reduction process 213/217

oxidoreduction coenzyme metabo 50/50

coenzyme metabolic process 92/93

cofactor metabolic process 126/127

drug metabolic process 124/126

establishment of protein local 54/54

protein localization to membra 59/59

mitochondrial transport 50/50

cellular respiration 48/48

sulfur compound metabolic proc 72/73
